# New Menu!

## Here's what has changed!

### APPETIZERS

- \* We added Pork Carnitas Flautas permanently to the menu! Order in any quantity.
- \* We added Cheddar Fries back to the menu.
- \* We've got several more yummy toppings for Cheddar and Queso Fries; red chile, pork carnitas, sour cream, taco meat, bacon, and green chile
- \* Spicy Fried Pickles are no longer on the menu but they are still available (it's just a secret!)

### BURGERS

- \* We decreased the size of the beef patty from 1/4 lb. to 1/6 lb. so that we can add two patties to the burger. It's a huge improvement, making our burgers a THIRD POUND! The beef/bun ratio is much more inline
- \* We have single, sixth pound burgers available. Just ask for a single!
- \* We didn't list the Guacamole & Bacon Burger or the Peanut Butter/Peanut Butter Bacon Burger on the menu but they are still available (it's also a secret)

### QUESADILLAS

- \* In addition to Cheese, Chicken, and Steak, we are now offering Taco Meat and Pork Carnitas! Both are soooo yummy.
- \* We decreased the amount of steak in the steak quesadillas to be the same as the other quesadillas (it was easier on the kitchen). We also decreased the price to match. If you miss all of the steak in them, just ask for "double meat" and it'll be back to the way it was!

### DELUXE NACHOS

- \* We are now offering Veggie, Steak, Chicken, Pork, and the original Taco Meat
- \* They also automatically come with Sour Cream and Guacamole (you asked, we listened!)
- \* Just like before, you can still add Jalapenos for FREE

### TACOS

- \* We brought back the Red Chile Pork Taco PERMANENTLY!

### BURRITOS

- \* We brought back the Red Chile Pork Burrito Permanently. The are so good!
- \* **We changed the recipe on the Meat Burrito:**  
We used to premix the potatoes, taco meat, and mild salsa but this didn't allow for customers to subtract an item that they didn't want. Now we put each on independently when one is ordered  
We are also using Spanish Fries instead of chunks of potato. You get MORE potato!  
We also increased the amount of meat in the burrito. Overall, we think it is a much better product!
- \* **We removed Big Fajita Burritos – they are still available but only through February**
- \* **We removed Frijole & Rice Burritos - they are still available but only through February**

### SALADS

- \* We are now offering Veggie, Steak, Chicken, Pork, and Taco Meat
- \* They also automatically come with Sour Cream and Guacamole (**you asked, we listened!**)
- \* The Taco Salads are not on the menu but they are still available. They do not automatically come with sour cream and guacamole

### RICE BOWLS

- \* We removed them from the menu – they are still available but only through February

### DESSERTS

- \* We permanently added both the Raspberry Cheesecake Chimi and the Cinnamon Apple Burrito to the menu!
- \* Fried Snickers is still available but only until we sell out so get them while you can!
- \* Sopa-Pita Sticks are now called Sopa-Pita CHIPS (since they are now in the shape of a chip!)

### CHIPS AND DIPS

- \* We removed them from the menu but they are still available; chile con queso & chips, guacamole & chips, and a bag of chips

### DRINKS

- \* The small cup and the medium cup were only 4 ounces different so we decided to simplify.
- \* We removed the 16 oz small option so we now offer a 20 oz small, 32 oz medium, and a 44 oz extra large
